## Ravenfield Parish Council

### Public Participation 14 October 2021

Parishioner asked questions around the allotment plans, including parking arrangements and access. Concerned that if vehicles are permitted to drive down the path to the allotment site, this may impact the wall of the resident's property. The Council explained this would be discussed at the meeting of public interest on Sunday 17 October 2021, 1:30pm, and encouraged the public to attend.

A complaint was heard about the Duo-Fitness group. Residents in close proximity to Hollings Lane playing field are unhappy with the noise from the group, and would like reassurance this would not be permitted in the future. The Council agreed to discuss further under agenda item 9 (a). Complaint was added at the information posted on social media, and the photos of resident's homes. The police have been notified.

A letter regarding double yellow line, printed in the Rotherham Advertiser was raised, to ask why there had been no mention of yellow lines on Hollings Lane. Councillor Leach explained that the letter was not submitted by the Parish Council, but by herself as a resident of Ravenfield.

The Chairman of Ravenfield Old Peoples Social Fund raised the following:

1. Asked that the group be referred to its correct name of Ravenfield Old Peoples Social Fund (and not Old Peoples Social Fund).
2. The Extra-Ordinary meeting in August did not mention that the people living in bungalows are elderly.
3. Work had already commenced on 17 Longfield Drive, before the planning application was listed on the Parish Council agenda. The Council explained that this was because the initial planning application had been granted earlier, and the application in August was an amendment to the original.
4. Asked if any Ward Councillors had yet attended a Parish Council meeting? The Council confirmed that both Councillor Reynolds and Councillor Mills had attended a number of meetings.
